The Definition of Revenues and Expenses as Outlined in IMF (GFSM 2014)

ltem	Definition
Taxes on Income, Profits, and capital Gains	Consists of taxes assessed on the actual or presumed incomes of institutional units.
Taxes on Goods and Services	taxes on the production, activities (Excise Tax and VAT).
Taxes on International Trade and Transactions (Customs)	Taxes that are payable when goods or services cross the national or customs frontiers of the economic territory, provided from nonresidents to residents. These fees might be imposed for revenue collection or protection purposes and may be determined on a certain criteria or by value.
Other Taxes	Other taxes paid by businesses only (corporate Zakat) and unidentified taxes.
Other Revenues	Revenues from other public government unites (including Saudi Central Bank) and sales performed by other entities (income from advertising and fees from port services), administrative fees, fines, penalties and confiscations.
Compensation of Employees	Social benefits is the remuneration, in cash or in kind payable in return for work performed by an employee including social security contributions that are payable by the government unit on on behalf of its employees –excluding any compensation for employees related to the formation of capital for personal accounts.
Use of Goods and Services	Total value of goods and services purchased by the general government sector to be used in production or for resale, minus the net change in inventories of those goods and services.
Financing Expenses	The amount that the government shall pay to the creditor against the principal of the outstanding debt such as treasury bonds, Sukuk, loans and receivables.
Subsidies	Current transfers paid by government units to projects either in return of their production activates or on the basis of quantities or values of the goods or services they produce, sell, or import, including transfers to public companies.
Grants	Non-mandatory transfers in cash or goods payable to other government units or international organizations.
Social Benefits	Current transfers receivable by households intended to provide for the needs that arise from events such as sickness, unemployment, retirement, housing or family conditions. They could be in cash or in kind.
Other Expenses	All expenses not classified elsewhere including, expenditure on property other than interest, taxes, fines, sanctions imposed by government, current transfers to non-profit institutions, capital transfers other than capital grants, and non-life insurance premiums and claims.
Non-Financial Assets (CAPEX)	All economic assets other than financial assets, which implicitly do not represent claims on other units. Most non-financial assets provide benefits either through their use in the production of goods and services or in the form of property income.
